PROFESSIONAL SUMMARY

Innovative and driven React Front-End Developer with hands-on experience building high-performance, user-centric web applications. Proven ability to analyze user requirements, translate them into clean code, and implement functional features with modern front-end technologies. Strong understanding of Agile development, Git workflows, UI/UX principles, and cross-browser compatibility. Adapt at learning and applying new skills quickly, with a passion for delivering quality digital experiences.

EDUCATION

Master of Computer Science- Sacred Heart College, Tirupattur (2022- 2024)

Bachelor of Computer Science- MKJC, Vaniyambadi (2019- 2022)

HSC- Sri Vijay Vidyalaya Matric Hr. Sec. School (2018- 2019)

PROFESSIONAL EXPERIENCE

Front-End Developer- Q-Techx Solutions, Tirupattur

Nov 2024 - Present

- Developed and maintained responsive, user-centric web applications using React.js, JavaScript, Tailwind CSS, and Firebase.
- Developed and maintained cross-platform mobile applications using React Native, JavaScript, MySQL, and REST APIs, ensuring responsive user interfaces, efficient data management, and seamless performance across Android and iOS platforms.
- Implemented component-based architecture, reusable modules, and seamless UI integrations.
- Integrated third-party APIs and tools (e.g., EmailJS) for enhanced functionality.
- Practiced Agile methodology and version control using Git & GitHub.

KEY SKILLS

- **Frontend:** React.js, React Native, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS.
- **Backend (Basic):** Node.js, Express.js, MySQL.
- **Version Control:** Git, GitHub
- **Platforms:** Android Studio, NetBeans, Eclipse, Visual Studio Code
- **Other:** Responsive Design, API Integration, Component-Based Architecture

PROJECT HIGHLIGHTS

Web Application Development

Tech Stack: React.js, Tailwind CSS

- Developed and maintained responsive, user-centric web applications with modern UI components and seamless user experiences.
- Optimized application performance, ensuring fast load times, efficient state management, and smooth user interactions.

Mobile Application Development

Tech Stack: React Native, Tailwind CSS, MySQL

- Built cross-platform mobile applications with intuitive user interfaces and efficient data management.
- Implemented API integrations, database connectivity, and performance optimizations to deliver seamless experiences across Android and iOS devices.

LANGUAGES

- Tamil
- English

DECLARATION

I hereby declare that the above mentioned details are true of the best of my knowledge.

Yours faithfully,
